**REPORT**

**“RAKSHA BANDHAN”**

National Scheme Services (NSS) of Guru Nanak Institute of Technology, Nagpur, has organized celebrated on 12th August 2022 at 01.00 pm to celebrate “Raksha Bandhan” with the Kalmeshwar Police Department. According to Indian culture, on occasion of ‘Raksha Bandhan’, a sister ties ‘rakhi’ to her brother which symbolizes ‘a bond of protection’. The prime motive of the event was to appreciate the work of our police department in safeguarding the society with law and order.

“Raksha Bandhan” was held at Kalmeshwar police station by offering ‘Rakhi’ to the police officers by students & staff of GNIT. Some safety points for women were explained by one of the lady officers of the police department. The students observed the campus and visited the cell. Sweets were distributed to the inmates and the police members present there.

Celebration of Raksha Bandhan was successfully conducted under the support and guidance of Dr. Sudhir N. Shelke, Principal, GNIT, NSS coordinator Prof. Satish S. Markad (ME) Prof. Tushar Borkar (ASH) Rakesh Karmarkar (ASH) Prof. Pawan Barhate (CE) our beloved management Hon’ble Sardarni Tanpreet Kaur Tuli, Secretary, GNES, and Hon’ble Sardar Navneet Singh Tuli, Chairman, GNES. for their guidance, support and motivation. We are very thankful to them

## REPORT WRITING ON CELEBRATING NSS DAY AT GNIT.

### NATIONAL SERVICE SCHEME (NSS)

#### Aims and Objectives

As the third component of education, the NSS is a part of our academic, social, and personal lives. It enables students to actively offer their time and talents to the betterment of their society and country, thereby assisting in the development of their personalities. As a result, the NSS provides the ideal venue for students and youth across the country to become involved in real-life social activities and, as a result, become responsible citizens of India.

#### Motto of NSS

“NOT ME BUT YOU”

#### The Motto

This embodies the essence of democratic living and emphasizes the importance of unselfish service, respect for the other's point of view, and consideration for fellow humans. It emphasizes that an individual's well-being is ultimately dependent on the well-being of society as a whole. As a result, the NSS should make it a goal to live up to this philosophy in its daily activities.

#### The NSS Symbol

The National Service Scheme's symbol, which appears on the cover page, is based on the chariotwheel of Odisha's Konark Sun Temple. The Sun Temple's massive wheels represent the cycle of creation, preservation, and release, as well as the movement of life across time and space. The symbol's design, a simplified version of the sun-chariot wheel, emphasizes movement. The wheel represents life's ever-increasing cycle. It represents both continuity and change, implying the NSS's ongoing commitment to societal development and advancement.

#### About the NSS

The National Service Scheme (NSS) had its birth on September 24, 1969, during the Gandhi

## NATIONAL SERVICE SCHEME

centenary year. The scheme was first launched in 37 universities comprising 40,000 students.

Today the NSS has become the largest Government organization of students in the country comprising members from the +2 level to the college and university levels. The strength of volunteers has now increased to more than 30 lakhs, which makes the NSS one of the largest student forces in the world. The number of students strength increased from 40,000 to over 3.8 million up to the end of March 2018 students in various universities, colleges, and institutions of higher learning have volunteered to take part in various community service programs. The strength of NSS volunteers makes the NSS one of the largest student forces in the world

The NSS has good relations with different government agencies and non-government organizations in implementing its programs for building up community assets and helping the underprivileged people through education and social services.

The NSS is useful not only for the development of the student's personality but also helps promote the unity and integrity of the nation by bringing together young people from diverse geographical and socio-cultural backgrounds. The National Service Scheme (NSS) started functioning at Jadavpur university in 1969 and the performance of this scheme is highly satisfactory.

The objective of the NSS is the "development of the personality of students through community service."

## NSS REPORT

### REPORT ON NATIONAL YOUTH DAY

Department of Applied Science And Humanities in collaboration with **National Service Scheme (NSS)**, R & D and IQAC Cell of Guru Nanak Institute of Technology, Nagpur, has organized program on **12th Jan 2023** observed the National Youth Day with the primary aim of sensitizing the students about the philosophies, principles and ideas of Swami Vivekananda. The students were motivated to be good citizens of India, thus contributing to the development of the country.

Swami Vivekananda was a key figure in the introduction of the Indian philosophies of Vedanta and Yoga to the western world and was credited with raising interfaith awareness. He was a chief disciple of 19th century saint Ramakrishna and founder of Ramakrishna Math and Ramakrishna mission. The 153rd Birth Anniversary of Swami Vivekananda is celebrated all over the country giving a message to the youth the way of life and ideals that will make India a better country in future.

The Program began with the welcome of Principal, Dear's, HOD's and all Faculties. On this occasion Dr. Sudhir N. Shelke, Principal GNIT, delivered a special lecture on "How To Develop Entrepreneurship Skills, Attitude And Behavior". He began with the inspiring thoughts of Swami Vivekananda. The main objective of the lecture was to familiarize students with the emerging ideas and trends on how to develop personality in the 21st century contexts. The programme also aimed to teach students to work with various professionals, people and groups to understand the meaning of life and work in the present context; to enhance their communication skills and interpersonal skills in order to function in professional and social settings effectively; to enrich the academic language skills (writing and presentation skills) for academic writing and presentations; to understand effective planning, time management and implementation for setting goals and achieving both personal and professional goals; to learn to evaluate oneself (self-appraisal and introspection) for further growth, personally and professionally.

He also discussed about human personality and how it influences and impacts the functioning of an individual and organizations. The fact that humans are social is determined by individual as well as collective contexts. Understanding one's own personality and nurturing it well enables one to be a fine human being and an effective professional. He mentioned that Engineering education is to enable youth to understand the world in the liberal sense and to take forward it for the better. To sum up, it was a well-thought-out lecture of motivating the students to discover themselves on occasion of National Youth Day. The event concluded with vote of thanks.

Dr. Sudhir N. Shelke, Principal GNIT, Hon'ble Sardar Navneet Singh Tuli, Chairman GNES and Hon'ble Sardarni Tanpreet Kaur Tuli, Secretary GNES appreciated the hard work of the GNIT staff.

## REPORT ON “REPUBLIC DAY”

India marks January 26 as its Republic Day every year. In 2023, the country is celebrating its 74<sup>th</sup> Republic Day. While India gained independence from the British Raj in 1947, it wasn't until January 26, 1950, that the Indian Constitution came into effect, and India became a sovereign state, declaring it a republic. Dr. BR Ambedkar headed the Drafting Committee of the Constitution. Additionally, Constitution Day is celebrated in India on November 26 every year, as on November 26, 1949, the Constituent Assembly of India adopted the Constitution of India.

The 74<sup>th</sup> Republic Day of India was celebrated with gaiety and patriotic fervor at Guru Nanak Institute of Technology, Nagpur. The ceremony took place in the presence of Dr. Sudhir N. Shelke, Principal, GNIT, All Deans and HoDs of various departments, faculty, staff members and students.

The ceremony commenced with the unfurling of the National Flag by the, Dr. Sudhir N. Shelke, Principal, GNIT, With the presence of Chief Guest, Major Mukesh Pote,. This was accompanied by the rendition of National Anthem. The program moved forward with an incredible display of parade by the Students. The energetic performances by the students filled the crowd with great energy and enthusiasm. The heartfelt renditions of patriotic songs aroused feelings of love and brotherhood among all.

Chief Guest, Major Mukesh Pote and Dr. Sudhir N. Shelke, Principal, GNIT, addressed the gathering and highlighted the achievements of the college. He underscored the steps the college has taken to ensure an overall development of its students and took pride in mentioning that the college is well ahead of the academic standards. He emphasized upon the quality education which would help in the development of the city and the country at large. He briefly discussed the issues that the nation is currently facing and urged everyone to unite and stand against them. Dr. Sudhir N. Shelke, Principal, GNIT distributed Appreciation Certificates for the Students and Faculties for their achievements.

Republic Day Celebration was successfully conducted under the support and guidance of, our beloved management Hon'ble Sardarni Tanpreet Kaur Tuli, Secretary, GNES, and Hon'ble Sardar Navneet Singh Tuli, Chairman, GNES.

### “WOMEN’S DAY”

National Scheme Services (NSS) of Guru Nanak Institute of Technology, Nagpur, has organized celebrated ON "Women's Day 2023 program "on 09 March 2023 With a vision to promote the sustainable development of women entrepreneurs for balanced growth in the country, Startup India is committed towards strengthening women entrepreneurship in India through initiatives, schemes, creation of enabling networks and communities and activating partnerships among diverse stakeholders in the startup ecosystem.

With this view Guru Nanak Institute of Technology, Nagpur. organized “Women’s Day” Celebration under the banner of National Service Scheme (NSS) and IIC (Institution Innovation Council) in association with Women's Development Cell (WDC).

Resource person, Ms. Priyanka Rajawat, Incubation and Outreach Manager at GHRTBI, Nagpur, conducted expert lecture on " What Role can star-up incubator Play for women Entrepreneur's". She mentioned that Indian women are becoming digital women and they are doing extraordinary in their own way, by not only managing family and work both, but also by contributing to the economic development of the country. Due to the increased level of education, they are reflecting their power in the startup scenario. Women entrepreneurs are coming forward with their innovative and creative ideas for successful startups and achieving their dreams and aspirations in a man dominated world. Despite several hurdles like family obligation and funding issue, etc., women successfully challenged the world and made their own identity. This study is an attempt to analyze the contribution of women startups in economic development, and to know the various factors responsible for encouraging women to become entrepreneurs. This study also gives an insight into opportunity and prospect from start-up India, stand-up India scheme of government to women entrepreneurs and challenges they face. Similarly, innovation in the technology and business sectors has vividly evolved the Indian startup scenario.

The event was successfully conducted under the support and guidance of Dr. Sudhir N. Shelke, Principal, GNIT, NSS coordinator Prof. Satish S. Markad (ME) Prof. Tushar Borkar (ASH) Rakesh Karmarkar (ASH) Prof. Pawan Barhate (CE) our beloved management Hon'ble Sardarni Tanpreet Kaur Tuli, Secretary, GNES, and Hon'ble Sardar Navneet Singh Tuli, Chairman, GNES. for their guidance, support and motivation. ## REPORT ON TREE PLANTATION

Date: - 29/12/2021

The Tree Plantation programme was organized by NSS unit of Guru Nanak Institute of Technology on 27 December, 2021. Around 15 saplings were planted on the occasion Tree plantation programme that began with students gathering in the ground at GNIT Campus. We had our respected Principal **Dr. Sudhir Shelke** & NSS Coordinator **Dr. Narendra Wadaskar**, which added to the feel of the event, they took part in the event and planted trees.

**Dr. Sudhir Shelke** gives valuable guidance how human beings get ample oxygen because of trees and how cutting down trees mercilessly has impacted the environment adversely. He advised that if future generations wanted to enjoy Mother Earth's resources and privileges, then it's important that they plant and save trees. The Principal ended the event with a vote of thanks and appreciated the NSS team and the students for their presence.

### REPORT WRITING ON BLOOD DONATION CAMP HELD IN GNI.

Date: - 18/03/2022

A Blood Donation Camp was organized by NSS Unit, **Guru Nanak Institute of Technology and Guru Nanak Institute of Engineering & Technology** in association with **Dr Hedgewar Blood Bank**, Nagpur. on March, 17, 2022 at GNI campus. The camp began at 9:00 A.M with a short inaugural function by Chief Guest of the Blood Donation Camp, honorable Director & Principal GNIT **Dr. Sudhir N Shelke** and Principal GNIET **Dr. Hemant Hajare** expressed his gratitude to the NSS unit of the College for its continuous endeavor in this regard. Director & Principal GNIT **Dr. Sudhir N Shelke** encouraged all the donors by saying "Gift of Blood is Gift of Life". He thanked all the donors for the Noble steps they have taken and to help the fellow brethren. NSS Program Officer addressed the gathering, Blood cannot be manufactured - it only comes from generous donors to save the society and mankind, we should come forward for this Noble cause. 67 units of blood were donated by both students and the staff members of our Guru Nanak Institutions. It is a way of Guru Nanak Institutions gesture in bringing a ray of hope to alleviate the serious problems of acute shortage of blood. India faces a blood shortage of 3 million units. The problem can be addressed if an additional two percent of Indians donate blood, as opened by the Health experts. We need 12 million units of blood every year but just about nine million units are being donated. Our College has been religiously organizing blood donation camps every year and students and the faculty members come forward voluntarily to donate blood. While addressing first time donors at the camp our NSS volunteers brought awareness in them about shortage of blood and why we must donate blood every year, to help the persons requiring blood. Blood donation can save lives of innumerable persons. Donation of blood is very critical and crucial for saving lives many patients and those who have met with accidents. It is as such a great service or contribution to the society and people living in it.

The "World Environment Day" was celebrated by Guru Nanak Institute of Technology in Collaboration with Centre for Creativity and Innovation, Vidarbha Youth Organization, Nagpur Institute of Technology and Government ITI, Nagpur On 5<sup>th</sup> June, 2022. To spread the importance of conserving planet Earth, our one and only real home. The theme for "World Environment Day" 2022 #OnlyOneEarth focuses on our role as the citizens of the Earth, to protect the environment and to encourage sustainable living everywhere and every day.

Only One Earth" was the slogan for the first United Nations Conference on the Human Environment, held in Stockholm in 1972. This put sustainable development on the global agenda and led to the establishment of World Environment Day. Fifty years later, Sweden is hosting Stockholm+50 from 2 to 3 June, and World Environment Day on 5 June.

The Programme began with an awareness Rally for "Save Heritage Trees" from Swami Vivekananda Statue, Ambazari to Little wood Garden, Vasudeo Nagar, Hingna road, Nagpur at 6:00 a.m. About 250 Students from Various Organizations from City participated in this program.

The Chief Guests and Guests of honour were Mr. Hansraj Raut, Deputy Director, Ministry of Information & Broadcasting, Nagpur Region, Mr. Babanrao Padole, President, Sanvedana Foundation, Nagpur and Mr. Sudhakar Urade, General Manager (O&M), Maha Metro, Nagpur. The guests spoke on the importance of conserving the environment for a better healthier future. Also they said World Environment Day is the perfect opportunity to make people aware of the issues we are facing and how one can contribute to saving it. Thus, it is quite important in its own way. Students of various from organizations participated enthusiastically in talk given by Guests. Students were asked to plant a sapling to create a green corner. A lot of enthusiasm was seen in the students. Also some of the Students shared their Views Very enthusiastically.

## REPORT ON SHIVSWARAJYA DIN.

Date: -07/06/2022

### HISTORY AND SIGNIFICANCE

The Coronation of Shivaji Maharaj took place on June 6, 1674. On this auspicious day, he began early in the morning, adorning white robes and praying to his deities. Gaga Bhatta, the priest from Varanasi, was present to perform Shivaji Maharaj's Coronation. The two main rituals to take place in the coronation were the 'Abhishek'\* on the king and the holding of the 'chatr'\* over the king. On the golden platform, Shivaji Maharaj sat with his wife, Soyrabai, and his son, Sambhaji. His eight ministers were ready with a pot full of sacred water from rivers like Ganga. With religious spells from the priest, Abhishek Shivaji Maharaj was carried out of the sacred waters by eight ministers. After this, Shivaji Maharaj, wearing red robes and ornaments, and a crown, worshipped his sword, armour, bow, and arrow. He then entered the coronation place and sat on the throne. People acclaimed "Shivraj ki Jai" as "Shivraj ki Jai." The skies were filled with acclamations. Shivaji Maharaj's throne and said, "Chhatrapati." Salutations were given from various forts, blowing the cannons.

*The event proved to be a milestone in Maratha history as it also marked the beginning of Hindavi Swarajya in India. It was on this day when Shivaji was given the title of 'Shakakarta' which means 'founder of an era' in English and 'Chhatrapati' (paramount sovereign)..*

Shivswarajya Din was celebrated at Guru Nanak Institute of Technology with great pride. Dr. Sudhir N. Shelke started the programme with great devotion and garlanded the photo of Chhatrapati Shivaji Maharaj and illuminated the lamp. The NSS coordinator and presenting college staff worship the Shivaji Maharaj photos.

Dr. Sudhir N. Shelke has enlightening information on the life of Shivaji Maharaj and his true greatness. The NSS coordinator shared the significance of celebrating this event with the students. After the speeches by students and teachers, the programme ended with the National Anthem. In all, there were 75 students participating in the events.

## Program on “Food Packets Distribution”

A programme was held on 12/11/2020 in GNIT, Nagpur as a part of social cause with a motive to distribute food packets in the Dahegaon village and slum areas in Kalmeshwar tehsil of Nagpur. The objective of this initiative was to take a small step forward in reducing the hunger crisis of India or at least a part of it.

The program was conducted by Prof. Neha Chourasia, HOD, Electronics and Telecommunication, GNIT, Nagpur. She initiated the program by highlighting certain key points of the position of India in terms of hunger index at global level. She also explained the importance of conducting such programmes and drives at social and institute level. It imbibes a sense of responsibility within the students as well as faculty to become socially responsible citizens of the country. Also heartily welcomed Hon'ble Principal, for his relentless support and cooperation in every endeavor at GNIT. Her warm welcome spanned to one and all present who graced the occasion.

As per the records, 24 students actively participated in the cause and volunteered the entire activity wonderfully. Also, they interacted with the locals whom they distributed the food, of how they felt about this initiative. Ample amount of food packets were provided to the locals and this brought a sense of satisfaction and humbleness within the students and the faculty.

## Webinar on “INEQUALITY FACED BY WOMEN IN INDIA”

An online webinar was held by Women Cell on ‘Inequality faced by women in India’ at 1:30 PM dated 10/12/2020. The entire motive of organizing this webinar was to bring attention of all the attendees to the discrimination faced by women all over India and the brutality that comes along with it. The guest speaker invited for the webinar was **Prof. Neha Chourasia, HOD, Electronics and Telecommunication, GNIT, Nagpur**. She started addressing the subject by defining Gender Inequality as a discrimination against women since women are traditionally considered by the society as weaker sex. The root cause of gender inequality in Indian society lies in its patriarchy system. She further stated a quote by the famous sociologists Sylvia Walby, who defines patriarchy as, “a system of social structure and practices in which men dominate, oppress and exploit women”. She then continued the webinar highlighting the following aspects related to Gender Inequality:

### **1. India’s poor ranking in various global gender indices are as follows:**

- Economic participation and opportunity: 134<sup>th</sup>
- Educational achievements: 126<sup>th</sup>
- Health and Life expectancy: 141<sup>st</sup>
- Political empowerment: 15<sup>th</sup>

### **2. Female foeticide and Female Infanticide:**

- 100000 illegal abortions are being performed every year in India

### **3. Sex ratio**

- 108.18 males per 100 females as of year 2020.

**Principal  
Guru Nanak Institute of  
Technology**

#### **4. Female literacy**

- 53.7% for women as against 75.3% for men, showing a gap of about 21%.

#### **5. Legal and constitutional safeguards against gender inequality**

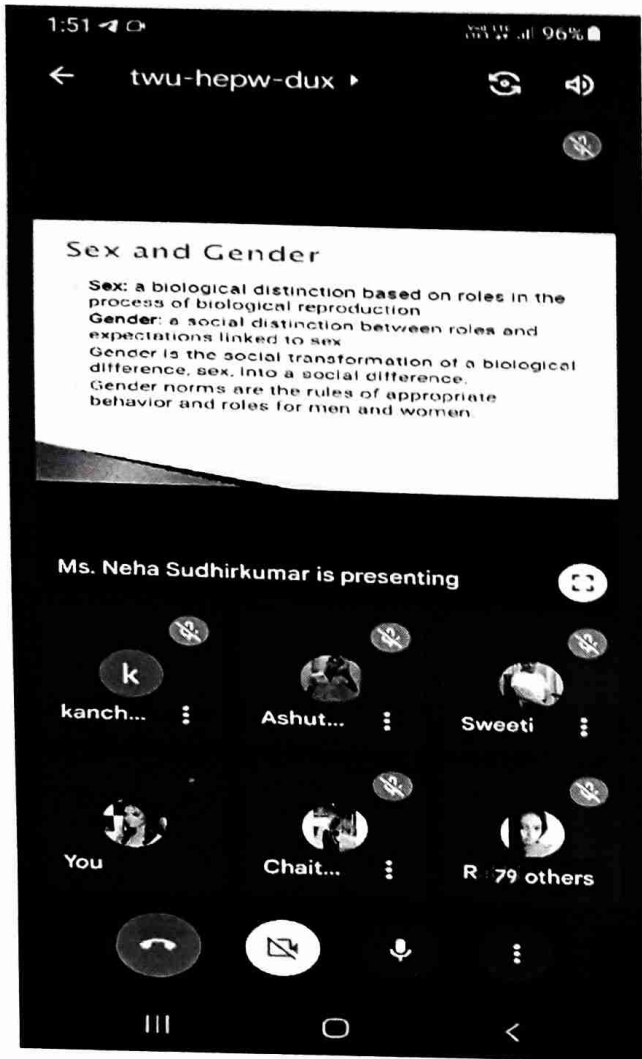

- Equal right to vote for women.
- Various protective Legislations passed by the Parliament to eliminate exploitation of women and to give them equal status in society.

#### **6. How to eliminate Gender Inequality**

- Change in mentality of men to start treating women as equal to them and not as subordinate to them.
- Women supporting other women at all levels of the Indian societal system.
- Right to basic education and safety.
- Support women to become financially independent and self reliable.

While addressing the topic, she was constantly interacting with the students. Around 73 students attended the webinar and were active in giving their feedback and point of view in response to speaker's questions. She also supported the female student to look forward of building a bright future and inspired them to become strong minded individuals. At last, she also motivated male students to help in changing the old and conventional idea of oppressing women and help build a safer environment for the women and girls in India and the world.

## Justice

An inequality is unjust when:

- the inequality is unfair, and
- something could in principle be done to eliminate the unfairness.

Social injustices persist because of power inequalities and the unwillingness of those with power to make changes

## What is Natural?

- Biology and society:
- Natural does not necessarily equal desirable or unchangeable
- Egalitarian gender relations = equal power and autonomy

But not necessarily identical social roles  
For instance, equality might mean equal amounts of leisure time.

Is it possible to have a society which is both egalitarian gender relations and...?

## Webinar on “AWARENESS PROGRAM FOR PLASTIC USAGE”

An Awareness program on usage of Single use plastic was held by NSS Unit, GNIT at 2:00 PM on 26/02/2021. The objective of conducting this program was to aware the students and faculty about the potential threats caused by usage of plastic and its littering leading to its improper collection and dumping.

Use of plastic has overshadowed the use of natural materials used in manufacturing such as paper, glass and cotton. Plastic usage has a potential threat to not just the environment but it also affects human health and animal health in numerous ways. Plastic is mostly made from oil and natural gas. These are both non-renewable, so most plastic is non-renewable. A tiny bit of plastic is being made from vegetable organic material, so that bit is biodegradable, and renewable. Another such threat to our ecosystem is from the improper handling and treating dumped plastic wastes. Plastics can take anywhere between 20 to 500 years to decompose completely depending on its material and structure. This makes plastic a potential threat to our environment and attempts should be made to create awareness on how to not use single use plastic products specifically.

Today's program is one such event to create awareness of the environmental hazard caused by the use of plastic amongst the students and faculty of GNIT, Nagpur. Prof. Geetanjali Kale addressed the program and shared the motive of conducting it at an institute level. Also, she heartily welcomed Hon'ble Principal, for his relentless support and cooperation in every endeavor at GNIT.

  
Principal

Guru Nanak Institute of  
Technology

**The first Speaker-Dr. Sudhir N. Shelke, Director GNES & Principal GNIT, Nagpur**

Dr. S. N. Shelke emphasized on minimizing the use of single use plastic products and stop practices such as littering the plastic products at colleges, public places more importantly. He suggested using environment- friendly alternatives such as using reusable bottles and cups, Avoid using plastic straws, take your own bags for grocery shopping, Use non-plastic reusable containers for food storage, Shop at second-hand stores. He once again emphasized on how these practices in day to day life will help our country achieve this goal of no use of plastic.

**The Second Speaker-Prof. Firdous Sadaf, Asst. Prof., HOD CSE, GNIT, Nagpur**

Prof. Firdous Sadaf initiated her talk by inspiring students to participate in youth campaigns associated with the aforementioned cause. Students can make groups and carry out city cleaning/ society cleaning/ ward cleaning programs at the initial level. Also students can participate in rallies and campaigns to raise awareness about the threats caused by plastic use amongst the people of our society. Awareness could be spread using different form of arts such as posters, poems, in the form of music, etc.

## **Program on “International Womens Day”**

A Program on “**International Women’s Day**” was held by Women Cell at **11:00 am** on, **08/03/2021**. The overall objective for conducting this program was to Women Empowerment in Academic World.

International Women's Day 2021 is being celebrated across the globe on March 8th like every year. The day is very special & exclusive day for women to acknowledge their existence and celebrate womanhood. A day when a women's step towards breaking the glass ceiling to prove herself at par with the other sex is recognised. Even though women struggle on a daily basis, a special day is earmarked which is celebrated as International Women's Day to honour all that women have achieved.

Today’s event is one such humble initiative by ICC to celebrate women. She cordially welcomed the distinguished guests. Also heartily welcomed Hon’ble Principal, for his relentless support and cooperation in every endeavor at GNIT. Her warm welcome spanned to one and all present who graced the occasion. Prof. Geetanjali Kale reminded that every day is a women’s day and we do not wish to confine and acknowledge their contributions only on a particular day and a month yet we dedicate this particular day as a mark of appreciation for their hard work and sincerity in making life meaningful for all.

**The first Speaker-Dr. Sudhir N. Shelke, Director GNES & Principal GNIT, Nagpur**

Dr. S. N. Shelke emphasized some theoretical reasons behind under representation in academic leadership for women, through various researches going in this area. She established that in the Indian context, the “Gender Role-Theory” plays an important role. Therefore, academic leadership training is needed for women academician to reach the ladder of administration. The principal areas which need sharp focus are: development of personal leadership & management skill., modernizing the student experience, internalization of curriculum and pedagogy., financial management and planning, and Crisis Management.

**Principal

## Report

Nature is God's most beautiful creation. It felicitates the growth, development and nourishment of all its creatures. Under the NSS unit initiative, a "Tree Plantation Program" was organized in Guru Nanak Institute of Technology, Nagpur on Friday, 5th June 2020.

The campaign's main aim was to direct student's mind in constructive activities with the positive outcome through the facilitation of contributing to the society. The students brought various saplings. The students participated in the drive enthusiastically and helped each other in planting the saplings. We had our respected **Principal Dr. Sudhir Shelke**, **Dean R&D Dr N. S. Raman** and **NSS Coordinator Prof. Narendra Wadaskar**, who added to the feel of the event, they took part in the event and planted trees. Dr. Sudhir Shelke gives valuable guidance to the students regarding the benefits of trees and fostered Environmental sensitivity in them and also motivated them to conserve and protect our Earth from global warming and ozone layer depletion.

The students along with the teachers also took an oath to look after the planted saplings, plant more and more trees and encourage others to do the same. Some of the students also shared their experiences and shared their joy with others. Such little steps taken together by the college and students will surely help in fostering strong mental and social health amongst today's youths so that they connect with their peers, their elders, their community and their environment.

## Name of the Event:-International Women's Day

### Message to the society by Dr. Sudhir N. Shelke, Principal:-

Today, we celebrate the women in our lives. They are the cornerstones of our communities working tirelessly and making countless differences in the lives of those around them. We are gathered in spirit with all our sisters to acknowledge: those in small remote villages, mountains, deserts, and refugee camps; those living in mud and straw thatched homes, large urban cities, and rural countryside; those in the workplace, the poor, the rich, and the unemployed; those in our schools, colleges and universities, those who are mothers, working women, and those who do both; those who are single, married, divorced or widowed; those who are young, older or physically disabled; and those whom we know and those who are strangers; Today we honor: the women of the past: those who stood up for change and fought for the rights that we live and enjoy today; the women of the present: those who are in this room today and those women around the world who use their voice to help make our world a better place for women; and the women of the future: those who will continue to champion women's voices, to break barriers and keep visible women's achievements and plights. Today, we unite to make the women of the past proud, the women of the present inspired, and provide the women of the future with vision.

Aim & Objective:-1. Women Empowerment.

2. Gender Equality.
